Please post in your department!

Attention teachers of physics, chemistry, physical science, & math!

For summer 2019, ASU offers a program of courses for your professional development. 3-D learning!

These are ideal courses to meet re-certification requirements, qualify to teach Dual Enrollment/Adjunct two-year college (TYC), and become highly qualified (ESSA) in physics or chemistry. They can count towards the ASU interdisciplinary Master of Natural Science degree (MNS) in physics, & graduate degrees in education. TYC, CTE, and pre-service teachers find these courses useful, too.

* Apply NOW for a partial tuition scholarship: 
https://physics.asu.edu/content/partial-tuition-scholarship-mnsmodeling-instruction-courses
* or reserve a seat NOW for Continuing Ed. ($400; need not apply to ASU. $200 if out-of-pocket). 
https://physics.asu.edu/content/modeling-instruction-application-reserve-seat-ceu

Modeling Instruction is designated as an Exemplary K-12 science program & Promising Technology program by the U.S. Department of Education. It is rated an Accomplished STEM program by Change the Equation. It won the "Excellence in Physics Education" award of the American Physical Society.

Modeling Workshops: (3 credits)

June 10-28: (on Tempe campus. MTWTh 8am-3:30pm. 8am - noon on Fridays)
P H S 530/P H Y 480: Methods of Teaching Physics I: mechanics (Jeff Steinert, instructor. PS-H356)
P H S 594/P H Y 494: Modeling Workshop in CASTLE Electricity (Agatha Andersen, instr. PS-H357)
C H M 594/C H M 480: Modeling Instruction in Chemistry I / Methods of Teaching Chemistry I
  (Mitch Sweet, instructor. June 10-27. MTWR 8am-4:30pm. PS-H366. FULL. WAITING LIST!)

July 1 – Aug 1 courses:
P H S 560/C H M 560: Matter and Light (1:00-3:30pm MTWR. Robert Culbertson, instructor. PS-H356)
P H S 550: Physics and Astronomy (4 – 6:30pm MTWR. Carl Covatto, instructor. PS-H355)

Visit http://physics.asu.edu, hover on "Admission", scroll down to MNS Admission or Modeling Instruction Program. For more information, visit http://modeling.asu.edu and click on ASU Summer Graduate Program for Teachers of Physical Sciences. For help with tuition scholarships, CEUs, or family and dorm housing, e-mail Jane.Jackson@asu.edu, 480-314-1522. If you want grad credit, apply to ASU as a nondegree summer grad student ($70 appl fee) at least 2 weeks before your course begins - - no transcripts needed. Register for your course after May 18, but at least 1 week before course begins.
