General Information Facts

WHAT BCS will sponsor Modeling Workshops in Physics: Mechanics and Chemistry. **Modeling instruction is the only high school science program recognized as Exemplary by the U.S. Department of Education.**

LOCATION Briarwood Christian High School Campus
6255 Cahaba Valley Road
Birmingham, AL  35242

DATES June 21 – July 2

DAILY SCHEDULE 7:45 a.m. – 3:45 p.m. (Mon. – Thur.) with appropriate breaks and lunch. Friday schedule 7:45 a.m. – 12:15 p.m.

LUNCH BCS will provide lunch (on site) Monday, June 21, and Workshop participants will be responsible for their lunch each day thereafter.

CEU CREDITS ACSI will grant **CEU credit**, up to 10 units for our Workshops. (One unit per each 6 hours of contact instruction in a classroom.) BCS will coordinate the CEU Program.

PURPOSE Our goal is to provide the **finest professional training** for high school teachers of Chemistry and Physics you would find in America! We want you to leave this experience even more equipped to have transformational impact on your students, colleagues, and School.

QUESTIONS AND HELP Please call Dr. Kynerd, Workshop Director, or Mrs. Calderini at 205-776-5909 or email mcalderini@bcsk12.org for help or Workshop information.

FACULTY AND MRS. CALDERINI Our faculty and Mrs. Calderini have worked faithfully to make your time with us a wonderful experience. We also trust that the fellowship will be enriching, rewarding, and enjoyable!
