

Modeling Physics Workshop June 17 - 22, 2012

THE PARTICLE MODEL OF LIGHT

Join the South Dakota Modeling Community on the beautiful BHSU campus to study the Particle Model of Light from the extended version of the Modeling Project.

Think about light. Learn how to get your students to think about light, shadows, reflection, refraction & images!

Instructors:

Rose Emanuel, Andy Johnson

Location:

Black Hills State University Room JS 167

June 17 3:30 pm - 6:00 pm

June 18 - 22 8:30 am - 4:30 pm

- ☀ Two Hours of Graduate Credit for the low low price of \$80
- ☀ Lodging and meals provided on BHSU campus
- ☀ Stipends for full attendance by SD teachers at least \$400
- ☀ Course materials provided

- ☀ Previous Modeling Teachers are Welcome!
- ☀ Modeling Wanna-Bes are Welcome!

☀ This project supported by South Dakota Title IIA funds
