TITLE II—PREPARING, TRAINING, AND RECRUITING HIGH-QUALITY TEACHERS, PRINCIPALS, OR OTHER SCHOOL LEADERS

SEC. 2001. PURPOSE.

The purpose of this title is to provide grants to State educational agencies and subgrants to local educational agencies to —

- (1) increase student achievement consistent with the challenging State academic standards;
- (2) improve the quality and effectiveness of teachers ...;
- (3) increase the number of teachers ... who are effective in improving student academic achievement in schools; and
- (4) provide low-income and minority students greater access to effective teachers

[Page 115] GRANTS TO STATES AND LOCAL EDUCATIONAL AGENCIES.—

For the purpose of carrying out part A, there are authorized to be appropriated \$2,295,830,000 for each of fiscal years 2017 through 2020.

[page 124 & 125]

LOCAL APPLICATIONS.—

(1) IN GENERAL.—To be eligible to receive a subgrant under this section, a local educational agency shall submit an application to the State educational agency

(2) CONTENTS OF APPLICATION.—Each application submitted under paragraph (1) shall include the following:

(A) A description of the activities to be carried out by the local educational agency under this section and how these activities will be aligned with challenging State academic standards.

(B) A description of ... opportunities for building the capacity of teachers ...

...

(D) A description of how the local educational agency will use data and ongoing consultation described in paragraph (3) to continually update and improve activities supported under this part.

(E) An assurance that the local educational agency will comply with section 8501 (regarding participation by private school children and teachers).

(F) An assurance that the local educational agency will coordinate professional development activities authorized under this part with professional development activities provided through other Federal, State, and local programs.

(3) CONSULTATION.—In developing the application described in paragraph (2), a local educational agency shall—

(A) meaningfully consult with TEACHERS [MY CAPS], ..., community partners, and other organizations or partners with relevant and demonstrated expertise in programs and activities designed to meet the purpose of this title;

(B) seek advice from the individuals and organizations described in subparagraph (A) regarding how best to improve the local educational agency’s activities to meet the purpose of this title; and

(C) coordinate the local educational agency’s activities under this part with other related strategies, programs, and activities being conducted in the community.

A long list of suggested uses of Title II funds is on page 125 to 129. Professional development predominates, including in STEM. Also suggested uses are to reduce class size, “differential and incentive pay for teachers ... in high-need academic subject areas”, and more.

TITLE VIII—GENERAL PROVISIONS (page 287 to 290, 298)

(21) EVIDENCE-BASED.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the term ‘evidence-based’, when used with respect to a State, local educational agency, or school activity, means an activity, strategy, or intervention that—

(i) demonstrates a statistically significant effect on improving student outcomes or other relevant outcomes based on—

(I) strong evidence from at least 1 well-designed and well-implemented experimental study;

(II) moderate evidence from at least 1 well-designed and well-implemented quasi-experimental study; or

(III) promising evidence from at least 1 well-designed and well-implemented correlational study with statistical controls for selection bias; or

(ii)(I) demonstrates a rationale based on high-quality research findings or positive evaluation that such activity, strategy, or intervention is likely to improve student outcomes or other relevant outcomes; and

(II) includes ongoing efforts to examine the effects of such activity, strategy, or intervention.

(42) PROFESSIONAL DEVELOPMENT.—The term ‘professional development’ means activities that—

(A) are an integral part of school and local educational agency strategies for **providing educators** (including teachers, principals, other school leaders, specialized instructional support personnel, paraprofessionals, and, as applicable, early childhood educators) **with the knowledge and skills necessary to enable students to succeed in a well-rounded education and to meet the challenging State academic standards**; and

(B) **are sustained** (not stand-alone, 1-day, or short term workshops), **intensive, collaborative, job-embedded, data-driven, and classroom-focused**, and may include activities that—

(i) improve and increase teachers’—

(I) **knowledge of the academic subjects the teachers teach**;

- (II) **understanding of how students learn**; and
- (III) **ability to analyze student work and achievement** from multiple sources, including how to adjust instructional strategies, assessments, and materials based on such analysis;
 - (ii) are an integral part of broad schoolwide and districtwide educational improvement plans;
 - (iii) allow personalized plans for each educator to address the educator’s specific needs identified in observation or other feedback;
 - (iv) improve classroom management skills;
 - (v) support the recruitment, hiring, **and training of effective teachers**, including teachers who became certified through State and local alternative routes to certification;
 - (vi) advance teacher understanding of—
 - (I) **effective instructional strategies that are evidence-based**; and
 - (II) strategies for improving student academic achievement or substantially increasing the knowledge and teaching skills of teachers;
 - (vii) are aligned with, and directly related to, academic goals of the school or local educational agency;
 - (viii) **are developed with extensive participation of teachers**, principals, other school leaders, parents, representatives of Indian tribes (as applicable), and administrators **of schools to be served** under this Act;
 - (ix) are designed to give teachers of English learners, and other teachers and instructional staff, the knowledge and skills to provide instruction and appropriate language and academic support services to those children, including the appropriate use of curricula and assessments;
 - (x) to the extent appropriate, **provide training for teachers**, principals, and other school leaders **in the use of technology (including education about the harms of copyright piracy)**, so that technology and technology applications are effectively used in the classroom to improve teaching and learning in the curricula and academic subjects in which the teachers teach;
 - (xi) as a whole, are **regularly evaluated for their impact on increased teacher effectiveness and improved student academic achievement**, with the findings of the evaluations used to improve the quality of professional development;
 - (xii) are designed to give teachers of children with disabilities or children with developmental delays, and other teachers and instructional staff, the knowledge and skills to provide instruction and academic support services, to those children, including positive behavioral interventions and supports, multi-tier system of supports, and use of accommodations;
 - (xiii) **include instruction in the use of data and assessments** to inform and instruct classroom practice;
 - (xiv) include instruction in ways that teachers, principals, other school leaders, specialized instructional support personnel, and school administrators may work more effectively with parents and families;
 - (xv) involve the forming of partnerships with institutions of higher education, including, as applicable, Tribal Colleges and Universities as defined in section 316(b) of the Higher Education Act of 1965 (20 U.S.C. 1059c(b)), to establish school-based teacher, principal, and other school leader training programs that provide prospective teachers, novice teachers, principals, and other school leaders with an opportunity to work under the guidance of experienced teachers, principals, other school leaders, and faculty of such institutions;
 - (xvi) create programs to enable paraprofessionals (assisting teachers employed by a local educational agency receiving assistance under part A of title I) to obtain the education necessary for those paraprofessionals to become certified and licensed teachers;

(xvii) **provide follow-up training to teachers who have participated in activities described in this paragraph that are designed to ensure that the knowledge and skills learned by the teachers are implemented in the classroom;** and

...

(50) TECHNOLOGY.—The term ‘technology’ means modern information, computer and communication technology products, services, or tools, including, the Internet and other communications networks, **computer devices and other computer and communications hardware**, software applications, data systems, and other electronic content (including multimedia content) and data storage
